Welcome

The Board of the Council of Catholic Women would like to extend a warm invitation to all women of the parish to participate in our activities & meetings this year. Our organization focuses on the social, service and spiritual needs of the female members of the parish. All registered women of St. Martha Parish are already considered members. Our monthly meetings consist of a spiritual reflection and business agenda followed by a speaker, service activity or social event. It will be an opportunity to enjoy refreshments and social time together, and childcare will be provided.

Come join us as often as your schedule allows!
