

This is the new Mass volunteer schedule. It is only for 10 weeks, (Eucharistic Ministers for 5 weeks). Please remember that if you are unable to fulfill your assigned date, please call someone else on the list and get a sub or trade dates.

This schedule is emailed to each person and it is also posted on line at www.st-marths.org. If you have any changes to your email information, phone number or scheduling preferences please be sure to notify the office by phone or by email to parishsecretary@st-martha.org a month before the next schedule.

Please read:

We are starting a new routine with the Mass volunteers.

We will have 2 readers (**Lectors**) for each Mass. Reader #1 will read the Mass welcome and announcement (found on the ambo) and they will also read the first reading. Reader #2 will read the second reading and, when the deacon is not present on the altar, they will read the *Prayers of the Faithful*.

We are very short of **servers**. There are at least 2 servers for each Mass. The volunteer openings are available to any server that wants to offer to help. Just check with Fr. Mike or Fr. David in the sacristy before Mass.

Also, you notice that we have the **Eucharistic Ministers** on the schedule for only 5 weeks. This will allow you to attend one of his meetings on either August 8th or August 17th. Fr. Mike will explain the changes. He will also talk about the lectors roles, as well. Thank you for your cooperation with all of the changes.

God bless you all and thank you for helping with this ministry.
